JOB CONNECT

A-SMART way to help graduates
find their initial work placement

*In order to assist graduating students with the transition from university to the workplace, this year ASMIRT establishes **ASMIRT Job Connect**, providing opportunities for graduates to connect with employers and find workplace employment in 2022.*

- ASMIRT scheme helping graduating students enter the workforce
 - Connecting student members with employers nationally
 - Fourth year under-graduates and those undertaking the Supervised Practice program are eligible to apply
 - Encourages travel to regions with employment shortages
 - Job Connect is an additional tool for graduate job searches
