

# Fellowship Quick Guide

This is a short guide for those considering Fellowship in ASMIRT.

Fellowship information is found on the ASMIRT web page -

Fellowship – ASMIRT     <https://www.asmirt.org/training-and-events/education/fellowship/>

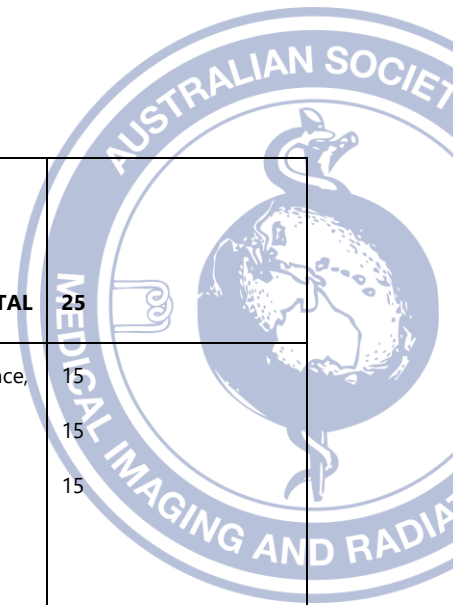

1. A Fellow of the Australian Society of Medical Imaging and Radiation Therapy is a unique **individual** journey within a maximum five-year period.
2. A Fellow must have been a financial voting member for the previous five years prior to submission of their Fellowship application.
3. A candidate must **demonstrate a wide breadth of knowledge and work** towards at least 180 points.
4. Duplicated material is not able to be accepted. For example, points for the same or similar paper cannot be claimed for both publication and presentation.
5. A Mentor is highly recommended and regarded as a **must have**.
6. To start with - look at the precis example below and fill it in as it applies to your journey.

Any activity which does not attain 50% of the available points for that activity would be deemed to have been completed at an unacceptable level for Fellowship and would therefore be ineligible for points accumulation.
