#### **CLINICAL EXPERIENCE**

- Full time equivalent need to demonstrate that you have been rostered and working in the MRI unit for at least the full-time equivalent (1 year FTE = 1 unit).
- Supervisor definition a person who has responsibility for the overall operations in MRI. They are usually head radiographer i.e. MRI section head, or person in charge of MRI equivalent to a grade 4/5 level. This does not include supervision of students.
- If you are in an "acting" position, this needs to be an appointment from the organisation and for a minimum period of 6 months tenureship.
- Clinical experience to be evidenced by a letter on letterhead from your employer stating the dates of commencement in the MRI unit until this application and detail responsibilities undertaken. Evidence can also include rosters.

#### **POST-GRADUATE MRI ACADEMIC QUALIFICATIONS**

- These include any recognised post-graduate MRI course from a recognised tertiary institution. Subjects relating to MRI need to part of a recognised MRI post-graduate qualification. This can include the subject cross-sectional anatomy.
- Post-Graduate MRI academic qualifications to be evidenced with a transcript of unit and a syllabus detailing a description of the subject.

#### MRI ORAL PRESENTATIONS

- Conferences will be considered if they are a minimum of 2 days or more. These can include RADaim, ASMMIRT, SMRT, ISMRM
- MRI oral presentations are to be evidenced with the title of the presentation/s or handout of the presentation. Further evidence may be requested in the form of your actual presentation/s.

#### **MRI EVENT ATTENDANCE**

• All events need to be related to MRI specifically and evidenced by a certificate of attendance. In the case of online learning modules, these are modules which have content and MCQs to be undertaken resulting in and evidenced by a certificate of completion e.g. Tip Ed/MRLO units of learning.

#### **PUBLICATIONS**

- Non peer-reviewed publications can include documents such as training manuals/consultancy reports which have been undertaken outside the scope of employment. Articles can include submissions for vendor/hospital newsletters/Spectrum.
- Peer-reviewed publications max. credits eligibility is if you are the sole single author of the paper.
- If there are co-authors on your submissions for both non peer-reviewed article and peer-reviewed publications, a percentage of credits will be allocated. You will need to specify percentage contributions of all co-authors including study design/data collection/literature review etc.
