

ASMIRT
Queensland
Branch presents

ARTHUR KNIGHT MEETING

sponsored by
SIEMENS
Healthineers

Belinda Cohen from Siemens Healthineers will detail the exciting imaging techniques of the **Multitom-Rax** system, designed for difficult exams such as trauma or orthopedic cases.

Melinda Lombardo and Kyra Agli from PAH Radiology then present on how the system is used by the Princess Alexandra Hospital team.

MONDAY 28 MARCH 2022

6-8PM - NO COST TO ATTEND

**VENUE - RUSSELL STRONG AUDITORIUM -
PRINCESS ALEXANDRA HOSPITAL**
