

ASMIRT SA/NT Branch presents

STUDENT PAPER NIGHT

RESEARCH PROJECTS + CASE STUDIES

This event allows students to showcase their research projects, case studies and growing knowledge. The \$1500 prize is open to MI, RT, and NM undergraduate and postgraduate students. The winner/s will receive funding towards registration, travel and accommodation at the next ASMIRT conference. They will also be able to present their talk and vie for the national prize which will be held in Darwin on 9-12 May 2024. This event also provides continuing professional education to members of the medical radiation profession (med imaging, radiation therapy, ultrasound, mammography and nuclear medicine).

Abstract submissions close 15 December 2023.

Abstracts can be sent to santbr@asmirtcommittee.org
