

ASMIRT VIC BRANCH

STUDENT PAPER DAY

Review of contemporary practice through research and literature reviews from the student cohort

SAT 27 NOV 2021
9.30AM - 11.30AM
ONLINE

CALLING ALL

Nuclear Medicine, Radiation Therapy
and Medical Imaging Students

- as well as all medical radiation professionals -
this is your opportunity to hear from Victoria's top students as they present literature reviews, case studies and research projects. Prizes will be awarded to the best presenters, going towards the cost of attending and presenting at ASMIRT 2022 in Cairns
